OF YOUR
MONEY!

JOIN US FOR Savvy Tips for Buying a Car

Participants will learn about the costs of car ownership, outside of a monthly car payment, to distinguish between the listed price and the actual price of a vehicle. They will also learn to determine how much they can budget toward a car payment and discuss different payment options to decide which is right for them. Finally, participants will demonstrate how to evaluate a loan and apply what they've learned to "shopping around" and contract negotiations.

HOSTED BY VCCU IN COLLABORATION WITH

COUNTY of VENTURA
